The *Journal of Substance Abuse Treatment* is published in cooperation with North Shore University Hospital in Manhasset, New York.

The Drug Treatment and Education Center, Department of Psychiatry, North Shore University Hospital, founded in 1971, is a multi-modality, interdisciplinary substance abuse treatment program providing a wide range of outpatient and inpatient clinical services, including prevention, health education and a continuing clinical conference series. The Center was developed in response to the needs of the hospital's surrounding communities and seeks to emphasize the appropriateness and responsibility of hospitals in addressing the epidemic health problem of substance abuse.

The Drug Treatment and Education Center receives funding support from the New York State Division of Substance Abuse Services, and the Nassau County Department of Drug and Alcohol Addiction.
